Evidence-based practice
Making it a reality in clinical settings with students

A transformational journey exploring opportunities to embed EBP into undergraduate student clinical experiences

This program is a unique immersion to integrate evidence-based practice into undergraduate clinical experiences. Clinical faculty participants will leave this experience with:

- An introduction to evidence-based practice
- Action plans for integrating EBP content into clinical and student experiences
- Effective strategies for engaging students in EBP clinical setting

If you are looking for a single program to ignite evidence-based practice in your undergraduate student experiences…this is it!

Next workshop: May 12-13, 2014

nursing.osu.edu/ctep

CTEP is your partner in achieving and sustaining improved healthcare quality and patient outcomes.
Registration fee for this workshop is $750 per participant; $500 per participant for groups of two or more from the same institution. Fee includes daily light breakfast, lunch, snacks and an evening reception on day one. No refunds can be given; payment may be applied to a different immersion date within one year.

For further information or questions about this workshop, accommodations, or pricing, contact Lynn Ellingsworth, program manager, at ellingsworth.1@osu.edu or Lisa Long, at long.1148@osu.edu.

To register, go to nursing.osu.edu/ctep-registration
