OTHER CREATIVE WORK

Kue, J. (2013). Developer of “Culturally Sensitive Human Subjects Training” manual. I developed a culturally sensitive human subjects’ protection training tailored to research staff with low English proficiency and limited and/or no experience with research. I adapted materials from CITI training and other research ethics trainings, received IRB approval, and implemented the training with research staff on my NCI-funded study (1R03CA175464-01A1).
