

## Area Agency on Aging Programs

There are 12 Area Agencies on Aging (AAA) that provide a wide range of in-person and online services and resources across the state of Ohio for older adults, adults with disabilities, and family and friend caregivers. AAAs are a great place to start when looking for services or other resources for older or disabled adults and their families. A main goal of AAAs is helping older adults and people living with disabilities find local services and resources that enable them to live as independently as possible. Examples of assistance AAAs provide include:

- Long-term care planning
- Nutrition programs and home delivered meals
- Transportation assistance
- Housing related assistance
- In-home personal care and chore assistance
- Medicaid and Medicare information and enrollment assistance, and
- Respite services for caregivers
