College of Nursing Immunization Requirements:

The required vaccinations are listed below. Please submit this form directly to Student Health Services once the entire form is completed by your primary care provider. Once the Student Health Services processes your records, you can monitor your compliance status through the College of Nursing Student Portal.

Submission Instructions:

- Once this form is completely filled out by your health care provider, this form and all required supporting documentation must be uploaded through MyBuckMD. Vaccination records should not be submitted to the Office of Student Affairs, Equity and Inclusion through concompliance@osu.edu.

- All medical documentation for compliance should be submitted at once utilizing this form with the exception of those students who are being revaccinated for Hep B.

- This form will be kept in your medical record at Student Health Services. Student Health Services will exchange health information with your academic program only for purposes of determining compliance with program requirements under the Family Educational Rights and Privacy Act (FERPA).

- If you have any questions regarding specific immunization requirements, please contact the Preventive Medicine Coordinator: 614-247-2387 or preventivemedicine@osu.edu.

- Please allow Student Health Services 1-2 weeks for processing of records. During times of high volume, this processing time may be longer.

- Non-health related compliance requirements submitted to Student Health Center will not be processed.
