* Required prerequisite course. These courses must be completed with a C+ or better to be considered for admission. Students taking prerequisite courses at institutions that do not award grades on a +/ - scale must earn a B or higher in each prerequisite course to be eligible for admission. ^ General Education Courses (GE) or Elective Courses may be completed prior to admission to nursing.

[#] Human Nutrition 2210 and Microbiology 4000 are not required for admission, but must be completed by the end of Year 2
