

White Coat Ordering and Embroidery Instructions

If you wish to order a white coat and have the white coat embroidered, please follow the instructions below. Embroidery is not a requirement to participate in the GE Pinning and White Coat Ceremony.

- Purchase the white coat from the Medical Store or from a company such as Goodman's. When placing the order, consider the shipment timeline. It will take 2-3 weeks for the embroidery of the white coat by Goodman's. Goodman's is the only approved embroidery vendor.
 - Students choosing to take part in the White Coat portion of the ceremony must purchase their own white coat.
 - White coats may be purchased through The Medical Store (themedicalstore.biz) using school code: **OSU2026**
 - Embroidery will take 2-3 weeks so plan accordingly. Students are responsible for the cost of embroidery.
- The college logo should be embroidered on the right breast of the lab coat (wearing the coat).
- It is the student's choice whether to add the College of Nursing patch to the lab coat or not. If you decide to add the patch, it should be included on the coat in addition to the logo. The patch may not replace the college logo. It should be placed on the pocket of the left breast of the coat below your embroidered name. For instructions on how to obtain a College of Nursing patch please refer to your virtual admissions packet.
- If you wish to have your name embroidered, it should be placed on the left breast.
- RN may be listed after your name, however, you will not be permitted to wear the coat outside of the pinning ceremony until you have passed the NCLEX-RN.
- Students should not include previously earned degrees or credentials on the lab coat since the student is not serving in that role.

Embroidery must be completed by Goodman Uniforms, which takes 2-3 weeks.

Goodman Uniforms

1390 W Broad Street, Columbus, OH 43222
614-351-9800

Hours (*students are encouraged to call before going in as hours can vary*)
